## Profile

I am a highly skilled Computer Engineer and Full Stack Developer with over 7 years of expertise in website development utilizing WordPress and Elementor. My experience includes editing and creating themes and editing plugins. I have also gained comprehensive knowledge through Le Wagon, focusing on Ruby on Rails, PostgreSQL, MVC development, and frontend skills with HTML5, CSS3, Bootstrap 5, and Javascript. My deployment experience extends to platforms like Heroku, Digital Ocean, and basic AWS. I am currently expanding my expertise in the Rust programming language.
